

MAINSTREAM BUSINESS INVESTMENT PROGRAM

WHITEPAPER

PLATINUM

THE REAL
BUSINESS TOKEN

Platinum Investment

Platinum token is not a share, a security or a dividend payment system. We intend to profit token holders by increasing liquidity and its buyback value to make early investors high returns.

Fail Safe Investments

Most Crypto Currency projects rely heavily on investors and wait for price surge; it is not backed by real business with an income that is sustainable in the long run.

Our Mission

Realizing a crypto token value through mainstream business investment.

About Us

A team consisting of technical experts backed by business consultants, investors, crypto traders.

Tourism

We partner with well established travel agencies that will push our growth and confidence in this sector, making platinum token a great investment opportunity.

Agriculture

Organic and natural farm products. The leading brand supplier.

After cost of production is calculated, Platinum foundation will reserve 30% and 70% will be invested back in token value of appreciation to profit our investors and holders.

Arts & Exhibits

Independent film production, music videos and photography and any other forms of arts.

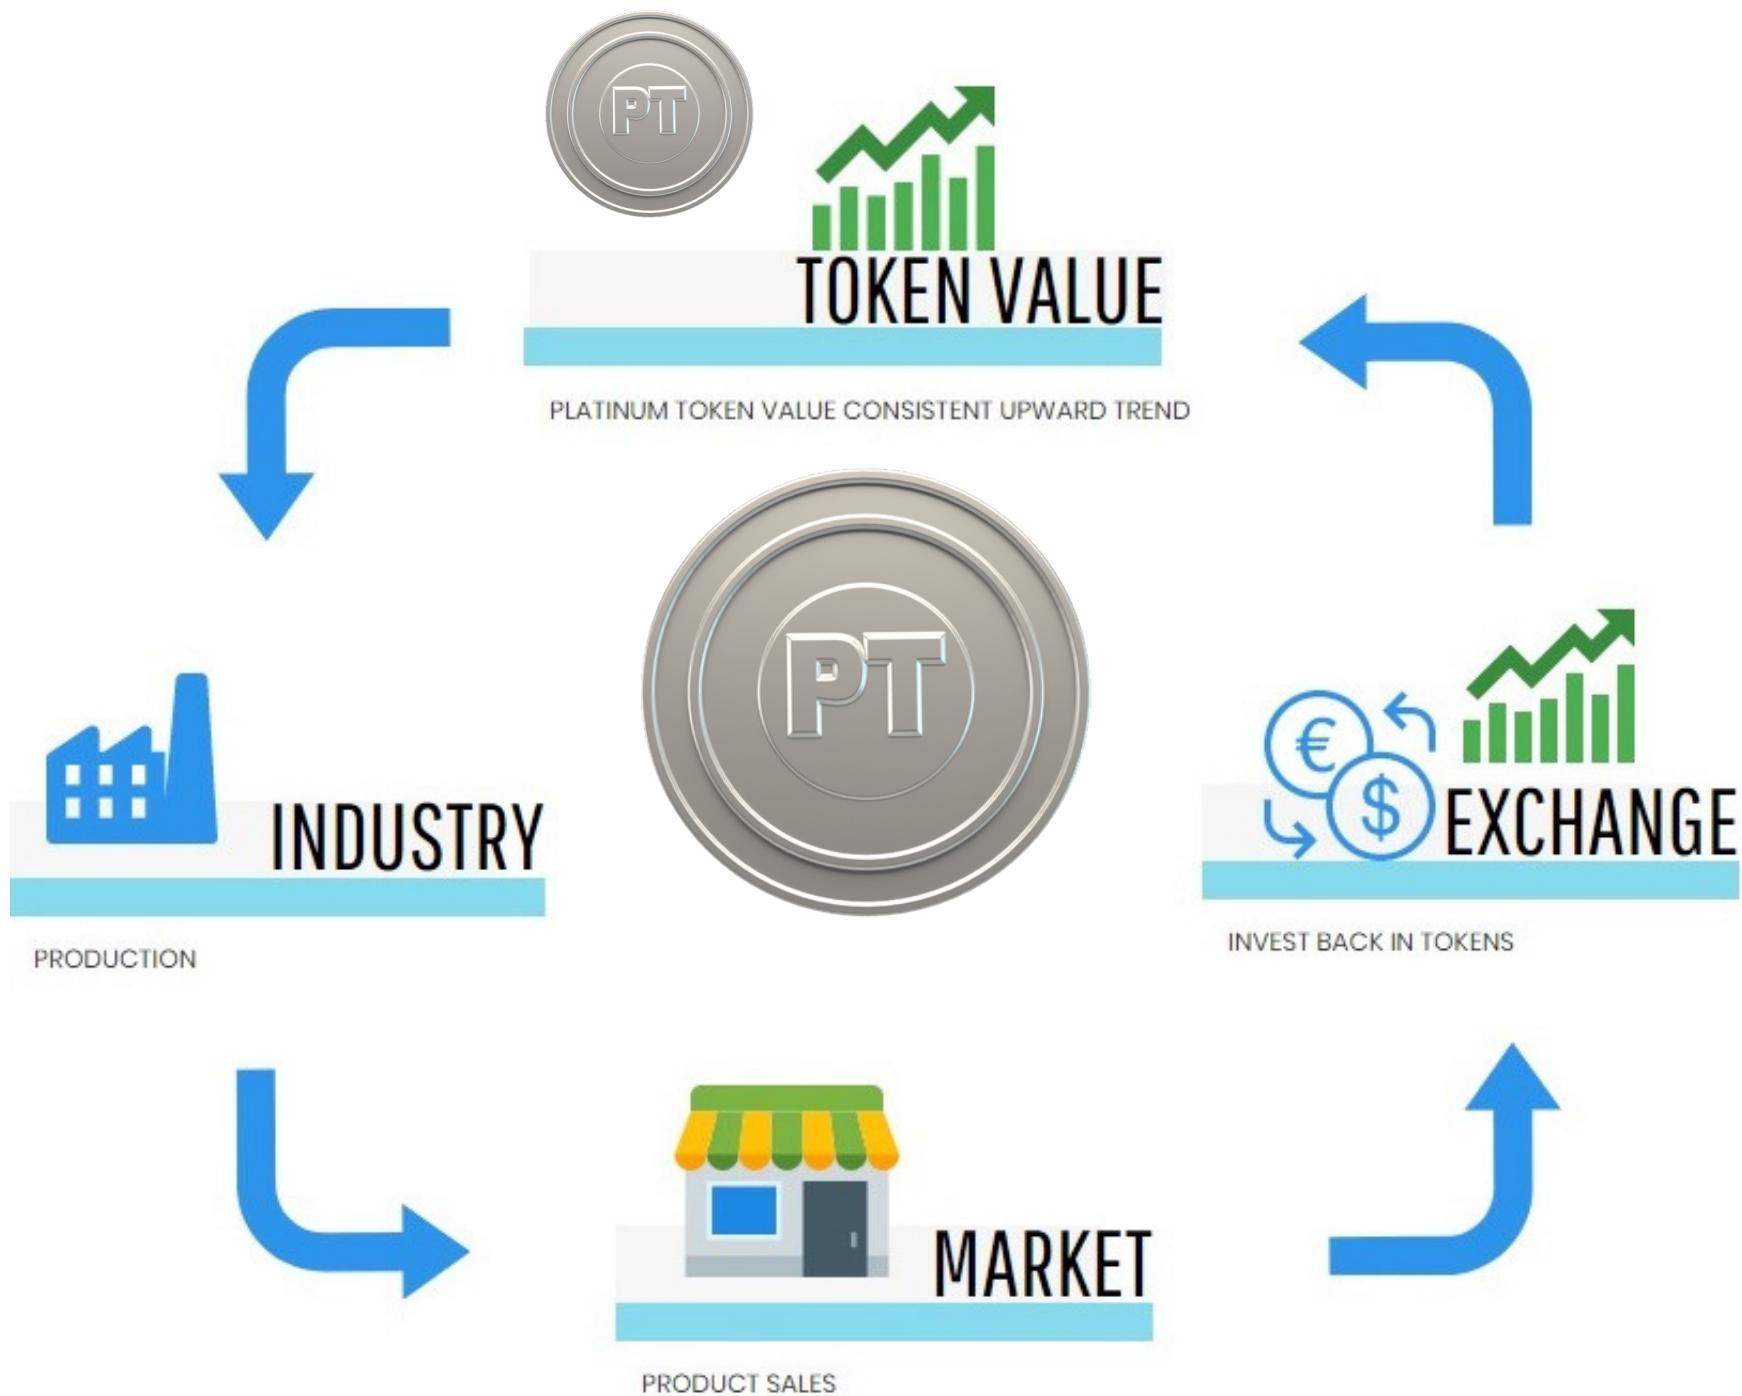

Concert Events

Indie artist support through concert and event management sponsorships. Profits for both artist and Platinum foundation investors.
